## **TERMS AND CONDITIONS**

The prices in this list cancel all previous lists. Being based on current market conditions, they are subject to change without notice and to depletion of stocks. All sales are made with the understanding that we shall not be liable in event of crop loss or of damage from other causes over which we have no control. Our aim is to have all of the old standard varieties as well as the best of the new ones.

Plants marked B&B are balled and burlapped for greater safety in handling and planting.

We give no warranty, express or implied, as to the growth or productiveness of the nursery stock that we sell and we cannot be responsible in any way for the results in transplanting. We exercise the greatest care to keep our varieties pure and true to name and hold ourselves in readiness to replace at any time, on proper proof, any nursery stock that may prove otherwise. All claims for errors must be made within five (5) days after receipt of goods.

While we use every means at our command to secure prompt delivery, we are not liable for delays in transit; our responsibility ends upon delivery in good order to the carrier. Remedy for loss must lie between the buyer and the carrier, but we will render any aid that we can.

The prices in this list do not include packing. All orders for forwarding by freight and express, except carload lots, are carefully packed in boxes or bales for which a charge is made sufficient to remunerate for cost of materials and time.

Plants selected and tagged at the Nursery are charged for individually according to value, and these prices do not apply.

You are invited, cordially, to come to the Nursery and see our stock. If you are interested in plants, we feel sure that we can make your visit of interest. We offer these prices only to licensed nurserymen and dealers.

**Terms: Net cash with order.**

**Credit: Only to firms in good standing with our credit department.**

**Established Credit: Net 30 days, interest at 6% per annum, after 30 days.**

**All Prices F.O.B. Knoxville or Sweetwater, Tennessee.**

**Minimum: 10 plants one variety, 25 of a kind at the 100 rate; 250 at the 1,000 rate.**

**PACKING SCHEDULE**
